## Request Items from other Library Systems

**Interlibrary Loan** is the process used to obtain materials or photocopies from other libraries when the materials are not available in the Spartanburg County Public Libraries system. We do not accept ILL requests for items held by the Spartanburg County Library unless those items have been lost, withdrawn or will not be available for a long period of time due to being sent out for repair. This includes non-circulating reference and genealogical materials held by Spartanburg County Library system. All local and online sources should be checked before requesting Interlibrary Loan.

- **Who is eligible:** Any patron with a Spartanburg County Library card is eligible to request ILL materials with the exception of **Juvenile Limited**, **Juvenile Nonresident**, **Courtesy**, **Teen** and **College Cards**. The library card account must be in good standing when making an ILL request and the information on the account needs to be correct. The patron's library card or picture ID must be present at check out when ILL materials are picked up. The library card number must be the same number under which the request was placed.

  - Microfilm

- Any item in our collection that is more than 5 week overdue (or lost) with not other copies available
- Copies of articles from serial publications – the six-month rule does not apply

- **Items we cannot request:**
  - Newly published material (publication within the last 6 months)
  - Entire copies of serials
  - Anything held in our Reference or Kennedy Room Collections

  - Rosetta Stone language programs
  - Items that are designed and marketed as pornographic including material that is labeled as Rated X or XXX.
- **Charge for Items:** Most materials are obtained for free but some libraries will charge a fee for loans and copies. Patrons will be asked what amount they are willing to pay when placing their request. If the lending library does charge a fee, the patron's account will be charged and the fee must be paid before further use of the library card. This applies even if the patron does not pick up the item once we've received it.
- **Loan Period:** We do not know the exact day that items will arrive. It may take 1-6 weeks depending on the availability and location of the item. We also do not know what the checkout time will be until the item arrives. Lending libraries set the due date and loan periods will vary from SCPL loan periods and limits. Some items will be marked for in-house-use only by the lending library and may not be checked out under any circumstances. There are no grace days for ILL materials. The fine for overdue materials is 15 cents per day.
- **Renewing Items:** We will request a renewal from the lending library, but ask that all requests for renewals are received at least one week before the due date. Patrons will be notified if the renewal is granted.
- **Lost or Damaged Items:** Spartanburg County Libraries' fine policy applies to ILL materials also. Fees for lost or damaged items will be assessed by the lending library. Spartanburg County Libraries cannot estimate these charges or make any refunds on ILL fees.

## Renewing Materials

Items may be renewed for two additional loan periods. If the item has holds on it, it may not be renewed. Items without holds will automatically renew from the due date for one loan period, up to two renewals. The renewal may be requested in person, online, or by telephone. In order to avoid late charges, the renewal must be requested by the due date. Renewal requests for ILL materials must be made directly through the ILL department by calling 864-285-9037. The Westside Library also has a drive-thru window for returning items and picking up previously requested materials.

## Damaged Items

Damaged items may be assessed for partial or total damage. Partial damage indicates that the item can still be used. Totally damaged items are no longer able to circulate. Items returned with damages will be billed to the users account based on the extent of the damage. Users will be notified of the damage and items will be held for 5 weeks for the user to view the damage.

## Fines and Fees

The account balance must be at \$10 or less in order to check out. Users will be notified of overdue items by their preference for phone, email, or text.

## Change of Name, Address and Telephone
