WHAT'S HAPPENING AT THE BOILING SPRINGS LIBRARY IN APRIL 2024

Program Feature

Join us for our newest event, Scrabble Salon, on April 18 at 10 a.m. Scrabble is a great way to stay social with other adults while keeping your brain active! Bring your own game or borrow one of ours to play.

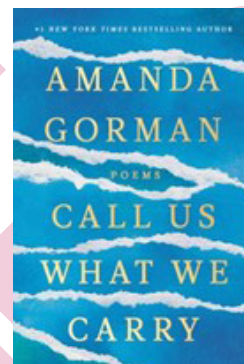

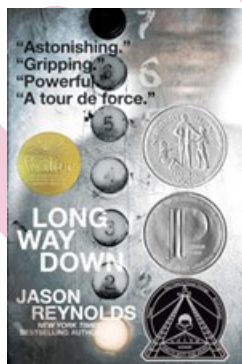

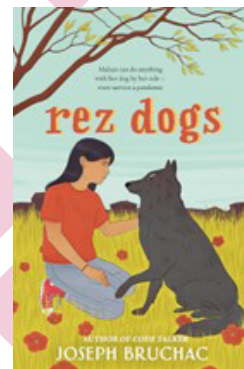

Seed Library

Want to try your hand at home gardening? The Boiling Springs Seed Library will feature seeds for vegetables, flowers and herbs, and we'll include tips on how to grow what you take home. We'll have tomatoes, peppers, parsley, basil and a whole lot more! Limit 3 packs of seeds per family per week while supplies last.

Want to make your gardening great? Try bees! Learn the basics of beekeeping from the Spartanburg Beekeeping Association on April 11 at 10:30a.m.

April is National Poetry Month

National Poetry Month began in April 1966 and has grown into the largest literary celebration in the world. It serves as a reminder of the important role that poetry plays in our culture. You can celebrate National Poetry month by exploring rhymes and verse in one of these recommended reads!
