THE LANDRUM LIBRARY

WHAT'S HAPPENING AT THE LANDRUM LIBRARY IN APRIL 2025

Libraries Closed

All branches of the Spartanburg County Public Libraries will be closed on Sunday, April 20 for Easter.

Some programs may require advance registration. Please check the website or call the library.

Adults

Ever wanted to learn to paint? Our own Tracy Files will be teaching basic watercolor techniques on April 10. Stress-free learning at its best! Do you know what's swimming in our streams? Join Conserving Carolina and the SC Dept. of Natural Resources on April 22 as we explore the freshwater fish native to our area, and how our behavior effects them, for better or worse. The Foothills Book Circle will be discussing Kate Quinn's "The Huntress" on April 24. Come check out your copy at our circulation desk.

Teens

Tasty treats and cuddly crafts await! Guess the flavors of all the jellybeans in BeanBoozled on April 8, and make plushie keychains on April 22.

Kids

We've got special guests at Homeschool this month! Roper Mountain Science Center will be bringing all kinds of marine critters for us to learn about on April 15. And MiniMakers will be decorating homes for our local wild friends - come in on April 17 and build your own miniature birdhouse!

APRIL 2025

EVENTS AT LANDRUM LIBRARY

Adults

Thursday, April 3
3:00pm
Law Talk: End of Life Issues

Join us for a brief overview of end of life issues and a Q&A with a representative from the SC Bar. Call the library or stop by to register in advance.

Tuesday, April 22
6:00pm
native Freshwater Fishes of Upstate SC

Biologists with the SC Dept. of Natural Resources will provide an overview of native freshwater fish diversity in the uplands of South Carolina, explain how human alteration of native landscapes affects stream and river integrity, and highlight work being done by SCDNR and collaborators to help conserve these aquatic resources.

Kids

Tuesday, April 15
10:30am
Homeschool: Coastal Critters with Roper Mountain Science Center

Explore the fascinating world of shoreline animals in this interactive program! Meet live creatures, examine biofacts, and watch engaging videos to learn about the unique animals that call the coast home. Discover their vital role in marine ecosystems and get a close-up look at their incredible adaptations. Space is available to the first 35 participants. This activity is most suitable for the 6-12 age group.

Thursday, April 17
3:30pm
Mini Makers: Spectacular Birdhouses

Build and decorate your very own mini birdhouse. This activity is most suitable for the 6-12 age group. Supplies are available for the first 20 participants. Please register in advance starting Thursday, February 20th.

Teens

Tuesday, April 8
4:00pm
Teens Play: BeanBoozled

Does that jelly bean taste like berry blue or toothpaste? Banana or wet dog? Bravely participate in Jelly Belly BeanBoozled challenges to find out, or watch and cheer on other teens! For teens ages 12-18 or in grades 7-12.

Tuesday, April 22
4:00pm
Teens Make: Yarn Wall Art

Learn how to punch needle and make a plush wall hanging of your initial to hang in your bedroom or locker! Open to first 12 teens ages 12-18 or in grades 7-12 only.

All Ages

Thursday, April 10
3:00pm
Let's Paint! Beginner Watercolor Class
