WHAT'S HAPPENING AT THE CYRILL-WESTSIDE LIBRARY IN JULY 2024

Westside Staff Book of the Month

Title: *Armada: A Novel*

Author: Ernest Cline

Call Number: SF Cline

Summary:

Zack Lightman has never much cared for reality. He vastly prefers the countless science-fiction movies, books, and videogames he's spent his life consuming. And too often, he catches himself wishing that some fantastic, impossible, world-altering event could arrive to whisk him off on a grand spacefaring adventure.

So, when he sees the flying saucer, he's sure his years of escapism have finally tipped over into madness. Especially because the alien ship he's staring at is straight out of his favorite videogame, a flight simulator called Armada - in which gamers just happen to be protecting Earth from alien invaders.

As impossible as it seems, what Zack's seeing is all too real. And it's just the first in a blur of revelations that will force him to question everything he thought he knew about Earth's history, its future, even his own life - and to play the hero for real, with humanity's life in the balance.

But even through the terror and exhilaration, he can't help thinking: Doesn't something about this scenario feel a little bit like - well - fiction?

At once reinventing and paying homage to science-fiction classics, Armada is a rollicking, surprising thriller, a coming-of-age adventure, and an alien invasion tale like nothing you've ever read before.

Special Announcement

- One-on-One Classes Available at the Cyrill-Westside Library

If you would like to sign up for a technology class or a proctoring session at the Cyrill-Westside Library, please visit our service desk or call at 864-574-6815. Hour long technology classes can include Word, Power Point, Email, Keyboarding, Mouse, Excel, and more!
