# THE COWPENS LIBRARY MOOSLETTER

WHAT'S HAPPENING AT THE COWPENS LIBRARY IN FEBRUARY 2024

## March Into Reading

March is National Reading Month. To celebrate we hope you will take part in our March Into Reading program. March Into Reading is a reading program for all ages and a partnership between Cowpens National Battlefield and the Spartanburg County Public Libraries. To participate in the March Into Reading program, simply document three books you have read related to nature, history, wildlife, or outdoor recreation from a participating library location in the March Into Reading booklet. Booklets can be picked up at all library locations or at the Cowpens National Battlefield. After documenting the books on the reading log in the booklet, visit your local Spartanburg County Public Libraries branch during a March Into Reading program or visit the Cowpens National Battlefield to collect your special edition National Park Service March Into Reading patch and get your certificate signed by either a librarian or park ranger. Visit our website for more information.
