International Literacy Day

International Literacy Day is celebrated annually on September 8 to shine a spotlight on global literacy needs and issues. You can celebrate literacy EVERY DAY and advocate for a more literate world, support literacy educators and leaders, and celebrate the power of literacy. Here are a few ways to celebrate:

- Talk, sing, draw, and play word games with your kids
- Read a story together
- Attend Storytime at your local library
- Attend a book club at the library or start your own
- Read a poem or write one yourself
- Start a journal
- Check out a new book or old favorite from the library!

Puzzle Exchange

Have you completed the same puzzles more than once? Ready for some new ones? Bring a gently used puzzle and leave with a new-to-you puzzle from our community Puzzle Exchange. Puzzles of all sizes are welcome and should not have any missing pieces.
