Libraries Closed

All branches of the Spartanburg County Public Libraries will be closed on Monday, September 2 for Labor Day.

Prior registration is required for some of these programs. Please check with us at the library to sign up.

Everyone

Nelly will be your in-person guide as we take a deep dive into the history & culture of Belgium on September 11. This program is in English. Tea and pastries will be available.

Where did all these place names come from? On September 25, we'll be talking about local history and why our favorite locations are called what they are.

Kids

Do bugs bug you? We're going to learn all about our crawly neighbors in Homeschool on September 17.

Are there fairies in the library? Come build a garden with us on September 19, and one just might come home with you!

Teens

Are you feeling creative, or just want to hang out? Do both! Come in for Bingo and Brownies on September 10, and make resin bookmarks and keychains on September 24.

Adults

Do you know what a cabochon is? Come to our class on September 12 and make your own glass cabochon pendant to wear or give as a gift.

If you want to see more butterflies in your yard, join Conserving Carolina on September 19 to find out what kinds live here, how to attract them, and how to attract more Monarchs to your property.

Foothills Book Circle will be discussing Amor Towles's "A Gentleman in Moscow" on September 26. Check out a copy for yourself and join the conversation!
